A global sportsbook, bet365 really know the sports betting game inside and out, which is why it tops our list.

Their betting limits are high, which is great for high rollers, with loads of payment choices available.

Each of your first five bets placed will be eligible if they are no more than \$100.

Launching in Colorado and Virginia, Sports Illustrated Sportsbook becomes one of the newest additions to the sports betting scene in the USA.

Their welcome offer is easy to claim, and despite not being as generous as other sports betting sites, still boasts a healthy first promotion.

Daily Fantasy Sports Betting: An Alternative way to wager

You'll find more types of bets online than you will at a retail sportsbook,

and you'll also be able to bet live on sports games. Best Odds

amazon bird seed food slashed in box bad packaging

It's not all that often that Amazon gets it wrong, especially when you consider that, by some estimates, Amazon ships more than 3million packages a day. Still, sometimes an Amazon order arrives with a damaged box, or damaged items, or just plain bad packaging. Amazon has actually made it easy to provide them with feedback and to report poor packing or damaged packaging, if you know how. Here's how to report damaged packaging or bad packing, or leave other packing or packaging feedback, at Amazon.

How to Report Damaged or Bad Packaging or Packing to Amazon
2021 UPDATE: Amazon has revised how you can report damaged, ineffective, or bad packaging in 2021. Now you can either 1. click the "View your item" button within the completed order listing in the "Orders" section of your Amazon account, and then under "How was your delivery" click the thumbs

down icon. You'll find here. Amazon encourages this method saying "Concerned about a Damaged Delivery or other issues with packaging? While our mission is to reduce the amount of packaging required while ensuring products arrive to our customers undamaged, we recognize we don't always get it right. If you have experienced a damaged delivery, please contact us and tell us about your experience. We'll use information collected from your order to help assess both the quality of the item's packaging from the manufacturer, and the choices we made in terms of packaging solutions available at our fulfillment centers. If needed, we'll work to improve the packaging and may even restrict the item from sale until a packaging change is made to ensure that we are delivering a great customer experience.
