Sunday will mark the fifth anniversary of the Supreme Court overturning the Professional and Amateur Sports Protection Act (PASPA) on May 14, 2018.

More than 30 states have moved to legalize sports betting since then, resulting in more than \$3 billion in taxes collected from federal and state governments. Several U.

S.

In April, the NFL suspended five players for violating the league's gambling policy after star wide receiver Calvin Ridley missed the entire 2022 season for betting on NFL games.

Other leagues to join the group include MLB, MLS, NASCAR, the WNBA, and NHL, as well as broadcasters NBC and FOX.
