How to win at online casinos every time? Unfortunately, that is not possible.

There are no casino hacks that can guarantee you will win every time you place a bet.

The Genting group has once again issued warnings regarding what it says is the fraudulent use of its corporate image to promote online gambling platforms.

In a post on its corporate website, casino operator Genting Malaysia Bhd said it

had been "made aware of fake news on unauthorised social media platforms and weblinks, purportedly linked to the Genting group in respect of online gaming

".

Genting Malaysia, founded by the family of Lim Kok Thay, runs the Resorts World

Genting casino complex (pictured) in Malaysia.

"We wish to stress that neither Genting Bhd, Genting Malaysia Bhd nor Resorts World Genting are involved or associated in any way or manner to these online

gaming sites or postings, including mybet88, BP77 and other similar sites,"

; Genting Malaysia said in its announcement.

Separately, Resorts World Genting stated in its own notice that "advertisements or any post linking Resorts World Genting to online gaming are fake news and

misinformation".

"Genting Malaysia is not associated with any online gambling platform or investment sites," it stated.

"Genting Malaysia does not have an online gaming platform.

The Genting group said it could take legal action against those infringing on it
