It fits my purse perfectly.

A pair of faux leather gloves so your fingers can always be protected.

I have always had trouble with wearing gloves that are too tight on my fingers, but these are perfect.

A pair of slippers with a removable, water-resistant lining that'll make them a -sheer- outfit.

They look great on my feet.

A pair of leather gloves to take your winter footwear to a whole new level. " -Amanda 9.
